

## JOURNEY TO JUSTICE SEEKS TWO NEW TRUSTEES

Journey to Justice is a dynamic national human rights education charity. We aim to galvanise people to take action for social justice by teaching about human rights movements and the arts. We do this with stories and exhibitions, training and events run by local cross-community teams.

After seven years of growth we seek to strengthen our board by appointing two new trustees. As well as a commitment to promoting human rights, applicants should possess:

- An analytical approach to decision making
- Curiosity and the confidence to challenge
- An ability to work positively as part of a team
- We are also interested in candidates who may have experience of fundraising, marketing or strategic planning.

This is an opportunity to support and shape the work and direction of Journey to Justice and you can make a significant difference to our mission. As a trustee, you will be working closely with a passionate team of people who have a range of perspectives. We expect trustees to be willing to advise on and help with our work between meetings and attend events when possible.

**Applicants without previous trustee experience will be considered and we welcome applications from people of all ages (over 18) and backgrounds. We offer training for our trustees and opportunities to develop your skills.**

This is an exciting time to join us as we create a new project focused on class, poverty and the arts.

Location and frequency of meetings: Until further notice, we will hold our meetings via Zoom and will continue to hold some that way indefinitely. Prior to lockdown, we held Board meetings in London, however, trustees based outside London are welcome to participate remotely. Meetings are on Saturday afternoons, four times a year.

Please contact the JtoJ Director, Carrie Supple for an informal conversation with her and or one of our trustees and further information: [info@journeytojustice.org.uk](mailto:info@journeytojustice.org.uk)

**Closing date for applications: Monday August 12th at midnight**

**Interviews: Saturday August 22nd (by Zoom if necessary)**

**Please save the dates: Saturday September 5th 2-5 pm in order to attend a trustee meeting as an observer and Saturday November 14th all day (Annual General Meeting) when we will ask members to agree to the new trustees joining our Board.**
